Dear Colleagues,

We are very pleased to invite members of the academic faculty, students, experts and all interested in the EU issues, for an interdisciplinary, international conference titled "**European Union Policies in the Making**". The conference will be held on **18 and 19 April** at the **Tischner European University in Krakow, Poland**. A group of 30 professors, PhD holders and experts representing over a dozen countries will discuss during 6 sessions. Participation in the event is open for all interested in the subject, so we would be grateful if you could forward our invitation to your collaborators, students, beneficiaries and others interested in the subject.

All willing to attend are asked however to fill in the **registration form** available on the website www.eup.wse.krakow.pl

On the same website you will find the detailed information about the project.

The program with the list of speakers and titles of their presentations is also included in the attachment.

The language of the conference is English.
